HSR 2011

June 28-29, 2011

First Announcement

**6th International Meeting of the
Hellenic Society of Rheology**

The Meeting is organized by

The Hellenic Society of Rheology (HSR), in cooperation with the National Technical University of Athens (NTUA) and the Foundation for Research and Technology-Hellas (FO.R.T.H.).

Hellenic Society of Rheology (HSR)

The Hellenic Society of Rheology (HSR) was established in 1996 by Greek rheologists residing in Greece, Cyprus and abroad. It is affiliated with the European Society of Rheology (ESR) and dedicated to the promotion of scientific activities and advancement in the fields of rheology and fluid mechanics.

Scope of the Conference

The Meeting is open to all scientists and engineers conducting research or interested in the field of rheology and fluid mechanics. The program will consist of oral and poster contributions.

Topics

Special emphasis will be given to the following fields of research:

- rheology and rheometry
- soft-matter rheology
- polymer melts and solutions
- structure and dynamics of polymers
- colloids and suspensions
- molecular modeling
- numerical simulations
- experimental, theoretical & computational fluid dynamics

Deadlines

Prospective authors are invited to submit a short abstract preferably by e-mail (max. 250 words), along with a preliminary registration form, not later than **December 15th, 2010**. Notification of acceptance will be mailed by **February 1st, 2011**.

Location

The Meeting will be held from Tuesday, June 28th, to Wednesday, June 29th 2011, at the NTUA campus, Athens, Greece. Details will be out with the 2nd announcement. The NTUA campus is near the city center (5 km) and it is easily accessible from the Athens International Airport “Eleftherios Venizelos”.

Registration

The registration fee will be 20 Euros (free for accompanying persons and students) to be paid at the Conference. It will include coffee breaks, book of abstracts and opening reception.

Conference WEB site

Additional information and registration will become available through the conference web site: <http://esperia.iesl.forth.gr/~hsr/HSR.html>

Important Notice:

Right after the HSR conference takes place at NTUA a Conference of the Greek Association of Computational Mechanics (GRACM) June 30-July 2, 2011 (<http://www.gracm.ntua.gr/>).
